River Run Outfitters of Branson, Missouri

Orvis Outfitter of the Year

**Learn from the experts, Stan
and Carolyn Parker, about fly
selection and the best ways to
fly fish Taneycomo**

"River Run Outfitters was awarded the 2006 Orvis-Endorsed Outfitter of the Year. Owners Stan and Carolyn Parker were clearly moved by receiving the award and thanked all of their great guides and the staff "who make us what we are." Both Stan and Carolyn have fished the area lakes and rivers around Branson, Missouri for more than 30 years, including the Taneycomo, an outstanding trout fishery, with monster brown trout taken each fall. Enthusiastic, talented, and consummate professionals, they offer their clients the best of service and provide lessons for beginners to get a head start on the sport they love. They spoke of customer satisfaction being the most important thing they have to offer. The award shows they are offering it in spades."
