RiverRun Outfitters—January Meeting

What a great turn out. There were 70 people in attendance at the Rainbow Fly Shop to hear Stan and Carolyn Parker talk about fly fishing Taneycomo. Stan and Carolyn gave a really nice slide presentation, provided hand outs on fly patterns, maps and the best places to fish. MTFA would like to thank Rainbow Fly Shop for hosting this event and the Parkers for making our evening a very special one. Be sure to stop in their fly shop when you are in the Branson area. Say "Hi" and book yourself a guided trip on Taneycomo. You will not regret it.

Kansas City Sport Show—2008

Thank you to all the members who volunteered their time at our booth during the days and evenings at the Sport Show. Our MTFA booth was in a great location. There were a lot of people stopping by our booth, looking at the collection of trout flies and asking questions about what MTFA does. This is a great opportunity to promote our club to the public. Plan to be there next year it's a great time.

Thanks to Cheri Allison for snapping a picture of Bobby Britton, Marvin Allison and Clarence Peaslee.

Members Bio's—Getting to know your fellow members

Name: Joe Fusco, Sr

Age: 69

Occupation: Semi Retired Teacher/College Administrator

Background: I started fly fishing and tried to learn fly tying when I was about 13 years old. My efforts in both were hard to define as fly fishing or fly tying. My dad persevered with me and I caught my first trout (a 12" Broun) on a dry fly (a classic Adams) from the Battenkill River in Shushon, New York when I was about 14 years old.

Outings: I have fished for trout in many places around the Norht East, and even in Eastern Canada particularly in the Province of Quebec. I have also been lucky enough to wet a line in Arkansas and Colorado.

Club Activities: I particularly enjoy teaching fly tying with the club and representing the club at shows like the Boat Sports and Travel Show and the Sowbug Roundup.

"If fishing is like religion, then flyfishing is high church" - Tom Brokaw

There is fishing in nearby North Fork and White Rivers. There are many of our MTFA members that attend each year and our own Joe Fusco is a featured fly tyer.

Special Speaker Coming in March

Chuck Prather of Flyfishing Services, Inc of Littelton, Colorado will be speaking to our club on March 25, 2008. Chuck will be talking and showing a slide show on nymphing. San Juan River (Northern New Mexico) October 2008

Are you interested in a club trip traveling to Northern New Mexico to fish the famous San Juan River? If you are interested in making a trip to the San Juan River please contact David and let him know. Cost will vary depending whether you drive or fly. If you fly, you will be flying into Albuquerque, New Mexico and then rent a car to get to the San Juan River which is about 2 1/2 hours north and west of Albuquerque. Should you decide to drive, its about a 900+ mile trip. Here is the guide holding a sample of the type of Rainbows you can hook into using a size 20 to 28 flies.
